Move seamlessly between practical guidance and research content

At Thomson Reuters, we know that the pressures and challenges facing lawyers are continually increasing, resulting in you having to work harder to find the answers you need with less time on your side. What's more, with the ever changing legal landscape and a diverse array of information sources, it can feel an impossible task to keep up to date and check you're working with the latest information.

The introduction of Westlaw UK cases, legislation and journals is designed to help users of both services overcome these challenges by combining primary and secondary law content with practical guidance in one place. We are streamlining your research process, pointing you in the right direction and bringing you one step closer to the content in your subscription. It's trusted answers at your fingertips.

And, this is just the first step in bringing together research and know-how solutions from Thomson Reuters. Through a significant programme of product development, Practical Law and Westlaw UK will be further integrated to provide you with a more intuitive experience.

How do you benefit?

Get more from your subscriptions

Make the most of your subscriptions by seamlessly accessing market-leading legal research and expert know-how, all from within Practical Law. Take advantage of new features, gain swift access to need-to-know content and easily navigate to related resources within the familiar Practical Law interface, without needing to log into Westlaw UK.

Prepare for upcoming developments

As Brexit changes the legal landscape, it is vital that you can quickly identify changes to the law and understand how these changes will affect you, your organisation and the industry. Practical Law and Westlaw UK are continually updated by our expert editorial team and cohesively linked, giving you confidence that you're working with the most up-to-date information and making your research time more effective.

Designed with you in mind

Experience significant document display and functionality enhancements designed to make Westlaw UK content easier to navigate, increase visibility of important information, and improve your access to key features within Practical Law. So, not only is the content more accessible, but it's truly optimised for your viewing.

Benefit from Practical Law's intuitive functionality

Practical Law is equipped with tools and features to make locating, organising and analysing your content a breeze. Make Westlaw UK documents your own by adding annotations, sharing with colleagues, and adding primary law and practical guidance to folders.

Save valuable time and increase your productivity

By accessing cases, legislation and journals in your subscription instantly within Practical Law, you can find the answers you need with less clicks, less scrolling and less hassle.

Note, relevant Practical Law UK and Westlaw UK subscriptions are required for access.

COMING NEXT Access via search

The next step in integrating our research and know-how solutions will enable you to search for Westlaw UK cases, legislation and journals from within Practical Law. You will be able to run a single search across Practical Law and Westlaw UK, and quickly narrow down results by content type and other key parameters.

Key features and functionality

The document display, features and navigation of Westlaw UK content within Practical Law provide the optimal research experience.

Document display

The optimised document display makes the most important details and features more visible and user friendly. Plus, with new features to show case summaries and article abstracts, you can grasp the need-to-know information in seconds and streamline your research experience.

Intuitive navigation

Practical Law's interface is simple and intuitive, providing quick access to the features and information you need. Use the table of contents, improved labelling, navigation arrows for legislation and breadcrumb trail to seamlessly browse through the website.

Personalisation features

Collect and browse information in a single place with features unique to Practical Law. Add comments and links to Westlaw UK documents to capture a wealth of information on one, easy-to-navigate interface. What's more, you can browse your history, share full-text documents and specified sections with ease, and much more.

Folders

Folders are your corner of the service where you can store your legal resources. Create folders to collate, organise and analyse your primary and secondary resources on a particular topic – it's perfect for those looking to learn about unfamiliar areas of law, share research findings, and track for CPD purposes.

Seamless linking

Get where you need to go without barrier or distraction, thanks to Practical Law and Commentary References in Westlaw UK content. You can seamlessly navigate to Practical Law resources, books and journals where cases and legislation are cited to see the full picture.

Clear status icons

The status icons on cases and legislation materials have been modernised and made more prominent within Practical Law, so you can easily tell the status of the materials.
