LAWTEL: WE KEEP TRACK SO YOU DON'T HAVE TO.

TOP 10 REASONS WHY YOU SHOULD BE USING LAWTEL

1 UP-TO-THE-MINUTE LEGAL UPDATES Staying informed of the latest developments has never been more crucial in delivering for your clients. **With over 100 specialist areas, our hugely popular updates service allows you to track multiple practice areas or specific clients, cases or legislation,** emailing you each morning with the information you rely on. You can then work more effectively and stay ahead of the competition.

With our Pending Actions service you can follow a claim **2 FOLLOW A CASE ON ITS JOURNEY THROUGH THE COURTS** from the initial stages right through to a High Court decision, tracking key documents and developments before a hearing date is fixed. We also provide comprehensive coverage of Permissions to Appeal (PTA) cases from the Court of Appeal, Civil Division, and aim to publish these within 48 hours of receiving the transcript. You can search for PTA cases and link to direct history and related proceedings to help you place the case in context.

Finding the information you need is easier than ever. Search across all Lawtel content by document title, a particular phrase or with a free-text search. Collect documents as you go by adding them to 'My Folder' and change your search at any time without having to start again. When you've finished simply download, print or email your documents. To keep up to date, set up alerts to receive email notifications whenever new relevant content is added to Lawtel, and you can share your research findings with colleagues via our link builder.

4 SIMPLE, EFFECTIVE & POWERFUL FUNCTIONALITY

3 OUR EXTEMPORE JUDGMENTS KEEP YOU AHEAD To keep you informed of the latest decisions that will impact you, our team of court reporters are on the ground every day to provide comprehensive coverage of extempore judgments from seven court divisions. Our case digests are written and published on the same day for the Court of Appeal, and within 24 hours for all other major cases. With official transcripts often unavailable for up to five weeks, and sometimes not at all, this gives you access to crucial decisions with unrivalled speed.

5 THE COMPLETE PERSONAL INJURY PACKAGE Updated every 24 hours, we offer you everything you need to know about Personal Injury. We have a host of PI Practice Tools to make your life easier, including Judicial College guidelines, Ogden Tables, and Interest and Inflation calculators. Our PI Bulletin also delivers unrivalled case analysis of the most crucial cases straight to your inbox. **With damages and PSLAs automatically updated for inflation every month, you can access over 4,300 quantum reports, rising to over 9,300 if you also subscribe to Kemp on Lawtel.** Find summaries of articles from leading PI journals and specialist guidance with the Kemp Commentary, taking you through every step of handling a PI case.

This invaluable service is a collection of Civil Procedural Guides, providing a 'how to' approach to litigation. **6 LITIGATOR – OUR STRAIGHTFORWARD PROCEDURAL GUIDES** Covering the most commonly encountered areas of dispute, **Litigator enables you to complete your work quickly, secure in the knowledge that you're following correct and up-to-date procedure.** Providing step-by-step instructions laid out in chronological order and supplemented with expert guidance and direct links to relevant materials (e.g. precedents), Litigator puts everything you need together in one place.

7 THE SERVICE THAT PUTS EU LAW INTO CONTEXT Lawtel EU gives you instant access to all official EU documents in a single location. **You can find a wide range of EU cases as well as the fully consolidated text of the EU Treaties as amended by the Treaty of Lisbon.** Find EU legislation with details including implementation, amendments and repeals, plus with our EU Legislative Calendar you can see when changes are due to come into force and link through to the full text.

8 NEVER MISS A NEW DEVELOPMENT WITH OUR LEGISLATION CALENDAR Our Legislation Calendar allows you to stay a step ahead by providing access to the law of the future. Providing prospective legislation information that covers both the UK and EU, you can filter and view forthcoming legislation by type, subject area and timing to find out what's happening in a particular practice area.

If a case transcript is not yet available or is hard to track down, you can submit a request to our Transcripts Express team and they will find the document for you. Simply email tracking@lawtel.com or fill out the order form on our website, and our team will do the rest. **10 GET WHAT YOU NEED WITH TRANSCRIPTS EXPRESS**
